School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much Rio Valley Charter School plans to spend for 2024-25. It shows how much of the total is tied to planned actions and services in the LCAP.

The text description of the above chart is as follows: Rio Valley Charter School plans to spend \$10,743,318 for the 2024-25 school year. Of that amount, \$2,113,140 is tied to actions/services in the LCAP and \$8,630,178 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

The General Fund Budget Expenditures for the school year that are not included in the Local Control and Accountability Plan (LCAP) typically encompass various operational expenses and costs that are not specifically allocated or required to be reported under the LCAP framework. These expenditures may include:

Administrative Costs: This category covers expenses related to administrative staff salaries, benefits, and office supplies. It includes the salaries of district administrators, such as the superintendent, assistant superintendents, and administrative support personnel.

Facility Maintenance and Operations: These expenses involve the upkeep, repair, and maintenance of school facilities, including buildings, grounds, and equipment. It encompasses costs for cleaning services, repairs, renovations, utilities, security, and insurance.

Food Services: The costs associated with providing meals and snacks to students, including purchasing food and staff wages.

It's important to note that while these expenditures may not be included in the LCAP, they are still important components of the overall budget to ensure the effective functioning and operation of the school district.
